Dear Madam, Sir,

I am writing this letter in order to apply for a Traineeship at European Commission Directorate for Enlargement for the period Jan/June 2014.

I am Dora Pataki, motivated student from Budapest, Hungary, currently student at the Budapesti Corvinus Egyetem at the international master programme of European International Business Relations, and I am expecting to graduate during this summer. During studies I am focused to acquire deep and comprehensive knowledge in international finance, economics and accounting. Also, I am well introduced to European Logical Framework and EU project management, which I am planning to use as your Intern.

As I am deeply interested in European economic integration and the EU itself, I enrolled myself at the above mentioned master programme in addition to my undergraduate studies in Economics, where I had several EU-related courses like EU Policies, European Law practice and Human Rights of the EU. Thanks to those courses I have got familiar with the processes in the EU, EU Institutions and the enlargement as well. The issue of enlargement was the topic of my dissertation, based on the research that I've conducted in the last year of my studies. In the research I have intention to connect the foreign
