

Great moments are born from great opportunity, and that's what you have here tonight boys. That's what you've **earned** here tonight. The margin for error is **so small**. I mean one half a step too early or too late and you don't quite make it. If we played em ten times they might win nine, but **not tonight**. Tonight we stay here, we shut them down. *Because we can*. Inch by inch, play by play, till the finish. Tonight we are the **greatest team** in the world. You were meant to be here tonight. This is your time. Their time is done, *it's over*. This is your fight. Now I can't make you do it. You gotta look at the guy next to you, look into his eyes. Now I think you'll see a guy that will go that extra inch for you. You're going to see a guy that will sacrifice himself for this team; **because he knows when it comes down to it you're going to do the same for him**. That's a team ladies and gentlemen, that's what living is. This is your time. **NOW GO OUT THERE AND TAKE IT.**
