

I've never heard a sane person  
say life is fair. It's not fair.

It never has been,  
it wasn't designed to be  
and it never will be.

But it can, and should  
be viewed as a blessing.  
It can, and should be viewed as  
a wonderful adventure  
that we only get for a brief moment,  
so we must make the most of it  
while we are here.
