

Motivation Thoughts

- *“Motivation is the art of getting people to do what you want them to do because they want to do it.”* Eisenhower
- *“It’s not my job to motivate players. They bring extraordinary motivation to our program. It’s my job not to de-motivate them.”* Lou Holtz
- *“Different people have different perceptions and the only way you’ll know what people on your team value is to talk to them...”*
- *“...Simply put, to motivate team members, help them be productive and be the best they can be, let them know how they are doing, make an investment in them and help them grow.”* James Mackinaw
